10th Annual
Autumn
in the
Mountains
A British Car Gathering

September 26th, 2009

Jackson Park

Hendersonville, North Carolina

Western North Carolina has become one of America's favorite vacation destinations. People from all over the US, and overseas too, come to this region to enjoy our gentle year-round climate, the beautiful scenery, a rich culture and history, abundant recreational facilities and the friendliest people on earth!

For those wanting to drive the area, the scenic Blue Ridge Parkway, the "Gateway to the Smoky Mountains," winds all through the mountains just north of our new venue in Hendersonville. It is a most spectacular way to enjoy your British car and to get a scenic overview of the region or to make your way to the Great Smoky Mountains National Park, the Cherokee Casino or Mt. Mitchell.

Not to be missed are DuPont State Forest and Pisgah National Forest, with a combined 510,000-plus acres, both with spectacular water falls, hiking trails, picnic areas, fishing streams, camping sites and twisty, mountain roads. Many other roads throughout the region with their own "mountain magic" also await exploration.

Bring your British car or motorcycle to this beautiful area and get a taste of high country hospitality. You'll understand that a weekend in the North Carolina mountains is just not enough time here, so plan to extend your visit or make plans to come back soon. BCCWNC members are always glad to welcome British car enthusiasts to the area any time of the year.

Marques, Classes and Awards

Any and all British cars and motorcycles are welcome at Autumn In The Mountains! A class will be created when three (3) or more similar (e.g., Make/Model/Year) vehicles are registered by September 19, 2009. Thereafter, vehicles registered for which a class has already been established will be placed in the applicable class. Vehicles for which a class was not formed (because less than 3 registered by September 19) will be placed into Class 18: "Pre/Post-War Special."

First and Second place awards will be presented in each class.

The British Car Club of Western North Carolina and our sponsor *Old English Cars*, invite you to the 10th annual *Autumn in the Mountains - A British Car Gathering*. We are also celebrating our 15th year since our founding in 1994.

Late September in the mountains of Western North Carolina usually means beautiful fall weather and the beginning of unmatched autumn colors. This year we have reduced the registration price and we will be enjoying our second year at **JACKSON PARK** in historic Hendersonville, NC which is just off Interstate 26 and 22 miles south of Asheville. There is something for everyone in Hendersonville and the surrounding area so bring your British car or motorcycle, the entire family, and enjoy Western North Carolina hospitality like never before!

The weekend's events will include a Friday evening "Social", scenic self-guided drives, a full day's access to everything in Jackson Park and a participant-judged, all-British, car show. It just doesn't get any better!

After nine great years, and thanks to the continuing growth of our event, the ongoing support of our great sponsors, and the British car community, BCCWNC has surpassed \$18,000 in donations to local charities. Once again this year, **Meals on Wheels** in Henderson and Buncombe Counties will each receive a donation from the proceeds of *Autumn In The Mountains*. The ability of our club to continue to support these worthy organizations is made possible only by your participation and enthusiasm for sharing the fun of owning, driving and showing your British car or motorcycle.

Plan on attending *Autumn In The Mountains, 2009*. We look forward to your joining us for another memorable British car weekend in the beautiful mountains of Western North Carolina.

Registration Form

Name: _____

Address: _____

City / State / Zip: _____

Phone: _____
